

UNIVERSITY
OF TRENTO - Italy

Department of Information Engineering
and Computer Science

PhD WINTER SCHOOL 2017

7-10 February 2017

Fai della Paganella (TN) - Italy

	Tue, 7th feb	Wed, 8th Feb	Thu, 9th Feb	Fri, 10th Feb
08:00 - 09.00	Breakfast	Breakfast	Breakfast	Breakfast
09:00 - 11.00	Eerke Boiten: <i>Computing law and professional issues</i>	Luigi Romano: <i>Real-time monitoring of logical and physical security</i>	Francesco Mercaldo, Andrea Saracino: <i>Cyber attacks and defences</i>	Fabio Massacci: <i>Empirical Methods for Security</i>
11.00 - 11.15	Coffee break	Coffee break	Coffee break	Coffee break
11.15 - 12.30	Eerke Boiten: <i>Computing law and professional issues</i>	Luigi Romano: <i>Real-time monitoring of logical and physical security</i>	Francesca Bosco: <i>Critical Infrastructure Threat Landscape: Understanding the Attackers</i>	Roberto Baldoni
12:30 - 13.30	Lunch	Lunch	Lunch	Lunch
13.30 - 16.30	Working Groups	Working Groups	Working Groups	
15.30 - 16.30		Artsiom Yautshiukin: <i>Cyber insurance</i>	Luigi Mancini	
16:30 - 18:00	Sandro Etalle: <i>Attack Detection in Industrial Control Systems: Lesson Learned</i>	Dieter Gollmann: <i>Wrong Security Paradigms</i>	Theo Dimitrakos: <i>Towards a security reference architecture for Network Function Virtualisation: security challenges and security controls</i>	
18.15 - 18.30	Coffee break	Coffee break	Coffee break	
18:30 - 19.45	Sandro Etalle: <i>Attack Detection in Industrial Control Systems: Lesson Learned</i>	Dieter Gollmann: <i>Security by Design is an Oxymoron</i>	Theo Dimitrakos: <i>Towards a security reference architecture for Network Function Virtualisation: security challenges and security controls</i>	
20:00	Dinner	Dinner	Dinner	

TECHNISCHE
UNIVERSITÄT
DARMSTADT

Registration deadline: 3rd February 2017

In order to apply, submit a completed application form via email to necs-winterschool@unitn.it
For further information, please visit the web site <http://necs-winterschool.disi.unitn.it/>
